Is your Pooch destined for stardom?

The hunt is on for this year's Pantomime Pooches to star in Beauty and the Beast at Cornerstone Arts Centre, Didcot. You might be wondering whether we have gone barking mad?! Oh no we haven't! All the best Panto heroes have a furry friend so Polka Dot Pantomimes have decided our Big Beast needs a Little Beast accomplice!

This year the acclaimed Polka Dot Pantomimes are looking for cute and lively dogs to steal the show alongside our panto stars. Polka Dot Pantomimes welcome any dog who has attended agility or obedience classes that can sit, roll, bark and wow us with any other tricks that they might have!

The role can be shared and the winning Pooch or Pooches (and their trainer) must be available between **18 and 31 December**. They will be required for sometimes multiple performances a day - so they must be ready for the showbiz lifestyle. There will also be rehearsals that you will be required to attend before these dates, because as we know practice makes perfect! This is a great opportunity for a local dog and their owner to get involved with our panto and we are really excited to meet all the entrants.
