You are safe.

When you arrive at the auditorium an usher will look at your ticket and tell you which seat you are sitting in.

They will be wearing a Cornerstone jumper. The ushers can help you if you have any questions.

You can cover your ears if you want to.

The stage may look big with black curtains on either side.

It may have people on it or furniture, or instruments or a big screen.

The performers will come on to the stage and the show will start.

THE SHOW

During the show, you may want to laugh at a joke.

That's ok.

You might see something that makes you feel sad or upset.

That's ok too.

At the end of the show, everyone will clap their hands because they enjoyed the show.

At the end of the show you leave the auditorium.

You can stay in the café or the gallery for a while if you want or you can go straight home.

We hope you will come back and visit us again.
